**Don't Worry Be Happy**

Here's a little song I wrote  
You might want to sing it note for note  
Don't worry, be happy  
In every life we have some trouble  
But when you worry you make it double  
Don't worry, be happy  
Don't worry, be happy now

(dooh, ooh ooh ooh oo-oooh ooh oo-oooh) don't worry be happy

Ain't got no cash, ain't got no style  
Ain't got no gal to make you smile  
Don't worry, be happy  
'Cause when you worry your face will frown  
And that will bring everybody down  
So don't worry, be happy  
Don't worry, be happy now

Now there, is this song I wrote  
I hope you learned it note for note  
Like good little children, don't worry, be happy  
Now listen to what I say - in your life expect some trouble  
When you worry you make it double  
But don't worry, be happy, be happy now

## La Vie en Rose

Hold me close and hold me fast  
The magic spell you cast  
This is "La vie en rose"  
When you kiss me, heaven sighs  
And though I close my eyes  
I see "La vie en rose"

[Verse 2]  
When you press me to your heart  
I'm in a world apart  
A world where roses bloom  
And when you speak, angels sing from  
above  
Everyday words seem to turn into love  
songs  
Give your heart and soul to me  
And life will always be  
"La vie en rose"

## My Way

Regrets, I've had a few  
But then again, too few to mention  
I did what I had to do  
And saw it through without exemption  
I planned each charted course  
Each careful step along the byway  
And more, much more than this, I did it my  
way  
Yes, there were times, I'm sure you knew  
When I bit off more than I could chew  
But through it all, when there was doubt  
I ate it up and spit it out  
I faced it all and I stood tall and did it my  
way

I've loved, I've laughed and cried  
I've had my fill, my share of losing  
And now, as tears subside  
I find it all so amusing  
To think I did all that  
And may I say, not in a shy way  
Oh, no, oh, no, not me, I did it my way

For what is a man, what has he got?  
If not himself, then he has naught  
To say the things he truly feels  
And not the words of one who kneels  
The record shows I took the blows And did  
it My Way!

## The Way you look Tonight

Some day, when I'm awfully low  
When the world is cold  
I will feel a glow just thinking of you  
And the way you look tonight  
Yes, you're lovely, with your smile so warm  
And your cheeks so soft  
There is nothing for me, but to love you  
And the way you look tonight  
With each word, your tenderness grows  
Tearing my fear apart  
And that laugh wrinkles your nose  
Touches my foolish heart

Lovely, never, never change  
Keep that breathless charm  
Won't you please arrange it?  
'Cause I love you  
Just the way you look tonight  
And that laugh that wrinkles your nose  
It touches my foolish heart  
Lovely, don't you ever change  
Keep that breathless charm  
Won't you please arrange it?  
'Cause I love you  
Just the way you look tonight

## Leaving on a Jet Plane

All my bags are packed  
I'm ready to go  
I'm standin' here outside your door  
I hate to wake you up to say goodbye  
But the dawn is breakin'  
It's early morn  
The taxi's waitin'  
He's blowin' his horn  
Already I'm so lonesome  
I could die  
So kiss me and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
'Cause I'm leavin' on a jet plane  
Don't know when I'll be back again  
Oh babe, I hate to go

There's so many times I've let you down  
So many times I've played around  
I tell you now, they don't mean a thing  
Every place I go, I'll think of you  
Every song I sing, I'll sing for you  
When I come back, I'll bring your wedding  
ring  
So kiss me and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
'Cause I'm leavin' on a jet plane  
Don't know when I'll be back again  
Oh babe, I hate to go  
Now the time has come to leave you  
One more time  
Let me kiss you  
Then close your eyes  
And I'll be on my way  
Dream about the days to come  
When I won't have to leave alone  
About the times, I won't have to say
