

When You're Smiling

(The Whole World Smiles With You)

Words and Music by Mark Fisher, Joe Goodman & Larry Shay

I saw a blind man, He was a kind man
Helping a fellow a - long
One could not see, One could not walk
But the both were humming this song

When you're smiling, When you're smiling
The whole world smiles with you
When you're laughing, when you're laughing
The sun comes shining thru,

But when you're crying, you bring on the rain,
So stop your sighing, be happy again
Keep on smiling, 'cause when you're smiling
The whole world smiles with you

I used to worry, I used to hurry,
Each time it started to rain
Now I see light, Learned wrong from right
And you'll never hear me complain
