12. Rainbow Connection Medley- Rainbow Connection (Robert)- True Colours- I'm Always Chasing Rainbows- Somewhere over the Rainbow
13. Send in the Clowns
14. We'll Meet Again

The Bluebells of Scotland

Oh, where, and oh, where is my highland laddie gone,
Oh, where, and oh, where is my highland laddie gone,
He's gone to fight the Foe, for King George upon the throne,
And it's oh in my heart I wish him safe at home

Will Ye Go Lassie Go	Scotland the Brave
O the summer time has come And the trees are sweetly bloomin' And the wild mountain thyme Grows around the bloomin' heather Will ye go Lassie Go? Chorus: And we'll all go together To pull wild mountain thyme All around the bloomin' heather Will ye go Lassie Go? I will build my love a bower (summerhouse) By yon cool crystal fountain And round it I will pile All the wild flowers o' the mountain Will ye go Lassie Go?	Hark when the night is falling Hear! hear the pipes are calling, Loudly and proudly calling, Down through the glen. There where the hills are sleeping, Now feel the blood a-leaping, High as the spirits Of the old Highland men. Towering in gallant fame, Scotland my mountain hame, High may your proud standards, Gloriously wave, Land of my high endeavour, Land of the shining rivers, Land of my heart for ever, Scotland the brave. High in the misty Highlands, Out by the purple islands, Brave are the hearts that beat Beneath Scottish skies. Wild are the winds to meet you, Staunch are the friends that greet you,

Kind as the love that shines
From fair maidens' eyes.

I Just Called to say I Love you

No New Year's Day to celebrate
No chocolate covered candy hearts to give away
No first of spring, no song to sing
In fact, here's just another ordinary day
No April rain, no flowers bloom
No wedding Saturday within the month of June
But what it is, is something true
Made up of these three words that I must say to you
I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart
No summer's high, no warm July
No harvest moon to light one tender August night
No autumn breeze, no falling leaves
Not even time for birds to fly to southern skies
No Libra sun, no Halloween
No giving thanks to all the Christmas joy you bring
But what it is, though old, so new
To fill your heart like no three words could ever do

Mamma Mia

I've been cheated by you since I don't know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn
I don't know how, but I suddenly lose control
There's a fire within my soul

and I can hear a bell ring
(One more look) and I forget everything, whoa

Mamma mia, here I go again
My, my, how can I resist you?
Mamma mia, does it show again
My, my, just how much I've missed you?

Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know
My, my, I could never let you go

I've been angry and sad about things that you do
I can't count all the times that I've told you we're through
And when you go, when you slam the door
I think you know that you won't be away too long
You know that I'm not that strong

Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, even if I say
Bye-bye, leave me now or never
Mamma mia, it's a game we play
Bye-bye doesn't mean forever

Tears in Heaven

<p>Would you know my name If I saw you in heaven? Would it be the same If I saw you in heaven? I must be strong And carry on 'Cause I know, I don't belong Here in heaven Would you hold my hand If I saw you in heaven? Would you help me stand If I saw you in heaven?</p>	<p>I'll find my way Through night and day 'Cause I know, I just can't stay Here in heaven Time can bring you down Time can bend your knees Time can break your heart Have you begging please Begging please Beyond the door There's peace, I'm sure And I know there'll be no more Tears in heaven</p>
<p>You Made Me Love You</p> <p>You made me love you I didn't want to do it I didn't want to do it You made me want you And all the time you knew it I guess you always knew it You made me happy sometimes You made me glad But there were times You made me feel so bad</p>	<p>You made me cry for I didn't want to tell you I didn't want to tell you I want some love that's true Yes, I do, 'deed I do You know I do Gimme, gimme, gimme, gimme what I cry for You know you've got the kind of kisses That I'd die for You know you made me love you</p>

<p>Let's Call the Whole thing off</p> <p>Things have come to a pretty pass Our romance is growing flat, For you like this and the other While I go for this and that, Goodness knows what the end will be Oh I don't know where I'm at It looks as if we two will never be one Something must be done: You say either and I say either, You say neither and I say neither Either, either neither, neither Let's call the whole thing off. You like potato and I like potahto You like tomato and I like tomahto Potato, potahto, tomato, tomahto. Let's call the whole thing off But oh, if we call the whole thing off Then we must part And oh, if we ever part, then that might break my heart</p>	<p>So if you like pyjamas and I like pyjahmas, I'll wear pyjamas and give up pyjahmas For we know we need each other so we Better call the whole thing off Let's call the whole thing off. You say laughter and I say larfter You say after and I say arfter Laughter, larfter after arfter Let's call the whole thing off, You like vanilla and I like vanella You saspiralla, and I saspirella Vanilla vanella chocolate strawberry Let's call the whole thing off But oh if we call the whole thing of then we must part And oh, if we ever part, then that might break my heart</p>

My Way

<p>Regrets, I've had a few But then again, too few to mention I did what I had to do And saw it through without exemption I planned each charted course Each careful step along the byway And more, much more than this, I did it my way Yes, there were times, I'm sure you knew When I bit off more than I could chew But through it all, when there was doubt I ate it up and spit it out I faced it all and I stood tall and did it my way</p>	<p>I've loved, I've laughed and cried I've had my fill, my share of losing And now, as tears subside I find it all so amusing To think I did all that And may I say, not in a shy way Oh, no, oh, no, not me, I did it my way For what is a man, what has he got? If not himself, then he has naught To say the things he truly feels And not the words of one who kneels The record shows I took the blows And did it My Way!</p>
---	--

<p>If I Loved You When I worked in the mill weavin' at a loom I'd gaze absent minded at the roof And half the time the shuttle oh tangle in the threads And the warp get mixed with the woof, if I loved you But somehow I can see, Just exactly how I'd be If I loved you, time and again I would try to say All I'd want you to know If I loved you, words wouldn't come in an easy way Round in circles I'd go</p>	<p>Longing to tell you, but afraid and shy I'd let my golden chances pass me by Soon you'd leave me, off you would go in the mist of day Never, never to know, how I loved you, if I loved you</p>

Honey Bun

<p>My doll is as dainty as a sparrow, Her figure is somethin' to applaud. Where she's narrow she's as narrow an arrow, And she's broad where a broad should be broad. A hundred and one pounds of fun, That's my little honey bun! Get a load of honey bun tonight.</p>	<p>She's my baby, I'm her pap! I'm her booby, she's my trap! I am caught and I don't wanna run, 'Cause I'm havin' so much fun with honey bun! I am caught and I don't wanna run, 'Cause I'm havin' so much fun with honey bun!</p>
---	--

<p>I'm speakin' of my Sweetie Pie, Only sixty inches high, Ev'ry inch is packed with dynamite! Her hair is blond and curly, Her curls are hurly-burly. Her lips are pips! I call her hips 'Twirly' and 'Whirly.'</p>	<p>Believe me sonny! She a cookie who can cook you 'till you're done, Ain't bein' funny! Sonny, put your money on my honey bun!</p>

I Know I'll Never Find Another You

<p>There's a new world somewhere They call the promised land And I'll be there someday If you could hold my hand I still need you there beside me No matter what I do For I know I'll never find another you There is always someone For each of us, they say And you'll be my someone Forever and a day I could search the whole world over Until my life is through But I know I'll never find another you</p>	<p>It's a long, long journey So stay by my side When I walk through the storm You'll be my guide, be my guide If they gave me a fortune My pleasure would be small I could lose it all tomorrow And never mind at all But if I should lose your love, dear I don't know what I'd do For I know I'll never find another you But if I should lose your love, dear I don't know what I'd do For I know I'll never find another you Another you, another you</p>
---	--

<p>Rainbow Connection</p> <p>Why are there so many songs about rainbows And what's on the other side? Rainbows are visions, but only illusions And rainbows have nothing to hide So we've been told and some choose to believe it I know they're wrong, wait and see Someday we'll find it, the rainbow connection The lovers, the dreamers and me Who said that every wish would be heard and answered? We wished on the morning star Somebody thought of that, and someone believed it Look what it's done so far What's so amazing that keeps us stargazing And what do we think we might see? Someday we'll find it, the rainbow connection The lovers, the dreamers, and me</p>	<p>True Colours</p> <p>You with the sad eyes Don't be discouraged Oh I realize It's hard to take courage In a world full of people You can lose sight of it all And the darkness inside you Can make you feel so small But I see your true colors Shining through I see your true colors And that's why I love you So don't be afraid to let them show Your true colors True colors are beautiful Like a rainbow Show me a smile then Don't be unhappy, can't remember When I last saw you laughing If this world makes you crazy And you've taken all you can bear You call me up Because you know I'll be there</p>
--	--

<p>All of us under it's spell We know that it's probably magic Have you been half asleep, and have you heard voices? I've heard them calling my name Is this the sweet sound that calls the young sailors? The voice might be one and the same I've heard it too many times to ignore it It's something that I'm supposed to be Someday we'll find it, the rainbow connection The lovers, the dreamers and me La-da-da, de-da-da-do La-da-da-da-da-de-da-do</p>	<p>And I'll see your true colors Shining through I see your true colors And that's why I love you So don't be afraid to let it show Your true colors True colors are beautiful Like a rainbow If this world makes you crazy And you've taken all you can bear You call me up Because you know I'll be there</p>

Somewhere over the Rainbow

<p>When all the world is a hopeless jumble And the raindrops tumble all around, Heaven opens a magic lane. When all the clouds darken up the skyway There's a rainbow highway to be found, Leading from your window pane To a place behind the sun, Just a step beyond the rain.</p> <p>Somewhere over the rainbow, way up high, There's a land that I heard of once in a lullaby.</p>	<p>Somewhere over the rainbow, skies are blue, And the dreams that you dare to dream really do come true.</p> <p>Someday I'll wish upon a star and wake up where the clouds are far behind me. Where troubles melt like lemon drops away above the chimney tops, That's where you'll find me.</p>
