Nice Work if you can get it

The man who only lives for making money
Lives a life that isn't necessarily sunny;
Likewise the man who works for fame
There's no guarantee that time won't erase his name
The fact is
The only work that really brings enjoyment
Is the kind that is for girl and boy meant
Fall in love -- you won't regret it
That's the best work of all -- if you can get it
Holding hands at midnight
'Neath a starry sky
Nice work if you can get it
And you can get it if you try
Strolling with the one girl
Sighing sigh after sigh
Nice work if you can get it
And you can get it if you try
Just imagine someone
Waiting at the cottage door
Where two hearts become one
Who could ask for anything more?
Loving one who loves you
And then taking that vow
Nice work if you can get it
And if you get it
Won't you tell me how?

Just imagine someone
Waiting at the cottage door
Where two hearts become one
Who could ask for anything more?

Something Stupid

I know I stand in line
Until you think you have the time
To spend an evening with me
And if we go someplace to dance
I know that there's a chance
You won't be leaving with me
Then afterwards we drop into a quiet little place
And have a drink or two
And then I go and spoil it all
By saying something stupid
Like I love you
I can see it in your eyes
You still despise the same old lines
You heard the night before
And though it's just a line to you
For me it's true
And never seemed so right before
I practice every day to find some clever
Lines to say
To make the meaning come true
But then I think I'll wait until the evening
Gets late
And I'm alone with you
The time is right
Your perfume fills my head
The stars get red
And oh the night's so blue
And then I go and spoil it all
By saying something stupid
Like I love you

Time After Time

Lying in my bed I hear the clock tick
And think of you
Caught up in circles
Confusion is nothing new
Flashback, warm nights
Almost left behind
Suitcases of memories

Time after

Sometimes you picture me
I'm walking too far ahead
You're calling to me, I can't hear
What you've said
Then you say, go slow
I fall behind
The second hand unwinds

If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I will be waiting
Time after time

If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I will be waiting
Time after time

After my picture fades and darkness has
Turned to gray
Watching through windows
You're wondering if I'm okay
Secrets stolen from deep inside
The drum beats out of time

Fernando

Can you hear the drums Fernando
I remember long ago another starry night like this
In the firelight Fernando
You were humming to yourself and softly strumming your guitar
I could hear the distant drums
And sounds of bugle calls were coming from afar
They were closer now Fernando
Every hour every minute seemed to last eternally
I was so afraid Fernando
We were young and full of life and none of us prepared to die
And I'm not ashamed to say
The roar of guns and cannons almost made me cry
There was something in the air that night
The stars were bright, Fernando
They were shining there for you and me
For liberty, Fernando
Though I never thought that we could lose
There's no regret

If I had to do the same again
I would, my friend, Fernando
If I had to do the same again
I would, my friend, Fernando
Now we're old and grey Fernando
And since many years I haven't seen a rifle in your hand
Can you hear the drums Fernando
Do you still recall the frightful night we crossed the Rio Grande
I can see it in your eyes
How proud you were to fight for freedom in this land

Girl From Ipanema

Tall and tan and young and lovely
The girl from Ipanema goes walking
And when she passes Each one she passes goes, ah
When she walks, she's like a samba
That swings so cool and sways so gently
That when she passes Each one she passes goes, ah
Oh, but he watches so sadly
How can he tell her he loves her
Yes, he would give his heart gladly
But each day, when she walks to the sea
She looks straight ahead, not at him
Tall, and tan, and young, and lovely
The girl from Ipanema goes walking
And when she passes He smiles, but she doesn't see

Hernando's Hideaway

I know a dark secluded place
A place where no one knows your face
A glass of wine, a fast embrace
It's called Hernando's Hideaway
Ole!
And all you'll see are silhouettes
And all you'll hear are castanets
And no one cares how late it gets
Not at Hernando's Hideaway
Ole!
At the Golden Fingerbowl or any place you go
You will meet your Uncle Max and everyone you know
But if you'll go the spot that I am thinkin' of
You will be free to gaze at me and talk of love
Just knock three times and whisper low
That you and I were sent by Joe

Then strike a match and you will know
You're in Hernando's Hideaway
Ole!

Just knock three times and whisper low
That you and I were sent by Joe
Then strike a match and you will know
You're in Hernando's Hideaway

Hallelujah

I've heard there was a secret chord
That David played, and it pleased the Lord But you don't really care for music, do you? It goes like this, the fourth, the fifth
The minor falls, the major lifts
The baffled king composing Hallelujah Hallelujah, Hallelujah

Your faith was strong but you needed proof You saw her bathing on the roof
Her beauty and he moonlight overthrew ya She tied you to a kitchen chair She broke your throne, and she cut your hair And from your lips she drew the Hallelujah Hallelujah,
Hallelujah

Well, maybe there's a God above
As for me all I've ever learned from love
Is how to shoot somebody who outdrew you
But it's not a crime that you're here tonight
Not some pilgrim who claims to have seen the Light No, it's a cold and it's a broken
Hallelujah Hallelujah, Hallelujah

Well people I've been here before
I know this room and I've walked this floor
You see I used to live alone before I knew ya
And I've seen your flag on the marble arch
But listen love, love is not some kind of victory march, no It's a cold and it's a broken
Hallelujah
Hallelujah, Hallelujah

Now I've done my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come here to fool you And even though it all went wrong
I'll stand right here before the Lord of song With nothing on my tongue but Hallelujah
Hallelujah

Lullaby of Broadway

Come on along and listen to
The lullaby of Broadway

The hip hooray and ballyhoo
The lullaby of Broadway
The rumble of a subway train
The rattle of the taxis
The daffodils who entertain
At Angelo's and Maxi's
When a Broadway baby says good night
It's early in the morning
Manhattan babies don't sleep tight
Until the dawn
Good night, baby
Good night, the milkman's on his way
Sleep tight, baby
Sleep tight, let's call it a day
Hey
The band begins to go to town
And everyone goes crazy
You rock a bye your baby round
'Til everything gets hazy
Hush a bye, I'll buy you this and that
You hear a daddy saying
And baby goes home to her flat
To sleep all day
Good night, baby
Good night, the milkman's on his way
Sleep tight, baby
Sleep tight, let's call it a day
Listen to the lullaby
Of old Broadway

Some Enchanted Evening

Some enchanted evening, you may see a stranger,
You may see a stranger across a crowded room,
And somehow you know, you know even then,
That somehow you'll see here again and again.
Some enchanted evening, someone may be laughing,
You may hear her laughing across a crowded room,
And night after night, as strange as it seems,
The sound of her laughter will sing in your dreams.
Who can explain it, who can tell you why?
Fools give you reasons, wise men never try.
Some enchanted evening, when you find your true love,
When you hear her call you across a crowded room,
Then fly to her side and make her your own,
Or all through your life you may dream all alone.
Once you have found her, never let her go,

Secret Love

Once I had a secret love
That lived within the heart of me
All too soon my secret love
Became impatient to be free
So I told a friendly star
The way that dreamers often do
Just how wonderful you are
And why I'm so in love with you
Now I shout it from the highest hills
Even told the golden daffodils
At last my heart's an open door
And my secret love's no secret anymore
Now I shout it from the highest hills
Even told the golden daffodils
At last my heart's an open door
And my secret love's no secret anymore

You're Just in Love

I hear singing and there's no one there
I smell blossoms and the trees are bare
All day long I seem to walk on air
I wonder why, I wonder why
I keep tossing in my sleep at night
And what's more I've lost my appetite
Stars that used to twinkle in the skies
Are twinkling in my eyes, I wonder why

You don't need analyzing
It is not so surprising
That you feel very strange but nice
Your heart goes pitter patter
I know just what's the matter
Because I've been there once or twice
Put your head on my shoulder
You need someone who's older
A rub down with a velvet glove
There is nothing you can take
To relieve that pleasant ache
You're not sick, you're just in love

Some Other Time

Twenty-four hours can go so fast,
You look around, the day has passed.
When you're in love,
Time is precious stuff;
Even a lifetime isn't enough.

Where has the time all gone to?
Haven't done half the things we want to.
Oh, well, we'll catch up
Some other time
This day was just a token,
Too many words are still unspoken.
Oh, well, we'll catch up
Some other time.
Just when the fun is starting,
Comes the time for parting,
But let's be glad for what we've had
And what's to come.
There's so much more embracing
Still to be done, but time is racing.
Oh, well, we'll catch up
Some other time.
Didn't get half my wishes,
Never have seen you dry the dishes.
Oh, well, we'll catch up
Some other time.
Can't satisfy my craving,
Never have watched you while you're shaving.
Oh, well, we'll catch up
Some other time.
Just when the fun's beginning,
Comes the final-inning...
Haven't had time to wake up,
Seeing you there without your make-up.
Oh, well, we'll catch up
Some other time.

Just when the fun is starting,
Comes the time for parting,
But let's be glad for what we've had
And what's to come.
There's so much more embracing
Still to be done, but time is racing.

Oh, well, we'll catch up

Some other time

The Carnival is Over

Say goodbye, my own true lover

As we sing a lovers' song

How it breaks my heart to leave you

Now the carnival is gone

High above the dawn is waiting

And my tears are falling rain

For the carnival is over

We may never meet again

Like a drum, my heart was beating

And your kiss was sweet as wine

But the joys of love are fleeting

For Pierrot and Columbine

Now the harbour light is calling

This will be our last goodbye

Though the carnival is over

I will love you 'til I die

Like a drum, my heart was beating

And your kiss was sweet as wine

But the joys of love are fleeting

For Pierrot and Columbine

Now the harbour light is calling

This will be our last goodbye

Though the carnival is over

I will love you 'til I die

Though the carnival is over

I will love you 'til I die
