

You're Just In Love (Digitally Remastered) Perry Como

I hear singing and there's no one there
I smell blossoms and the trees are bare
All day long I seem to walk on air
I wonder why, I wonder why
I keep tossing in my sleep at night
And what's more I've lost my appetite
Stars that used to twinkle in the skies
Are twinkling in my eyes I wonder why

You don't need analysing
It is not so surprising
That you feel very strange but nice
Your heart goes pitter patter
I know just what's the matter
Because I've been there once or twice
With your head on my shoulder
You need someone who's older
A rub down with a velvet glove
There is nothing you can take
To relieve that pleasant ache
You're not sick, You're just in love
